

Expro Streamlines Inefficiencies with FieldFX

Customer: Expro

Challenge: Streamline Process

App: FieldFX

SIGNIFICANT DECREASE

In time to process a ticket

GLOBAL PLATFORM

In-depth reports and activities across the organization

Dispersed data. Money left on the table. Expro looked to overcome inefficiencies with a central, standardized system.

5% LESS

Revenue leakage

“Figure out what you want to get out of a system, and an efficient way to do it.

Involve the end users early and often, so they realize there’s a better way to do their jobs.”

Jonathan Ward, Business Process Improvement Manager, Expro
